It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Helping Children Succeed – What Works and Why

I came across an interesting statistic recently; 25% of relationships that start as affairs succeed. "Succeed" is defined as the couple staying together, rather than by the quality of the relationship.
