The executive summary is the first section of the business case and the last written. It is a short summary of the entire business case. It succinctly conveys vital information about the project and communicates the entire story to the reader. People should be able to completely understand your idea and its merits after reading the executive summary.

Google just launched on Google Slides a killer template that startups can use to put together their story in order to fundraise. To give birth to these slides, Google worked with fellow Alphabet sibling GV, formerly Google Ventures, to create a template slide deck that is based on proven presentation tactics.
