Although both Scotland and England are part of the UK, Scotland has its own distinct judicial system and its own jurisdiction. Rather than being solely a Common Law system, Scottish law is a mixed system, and it is important to be aware of the differences, especially if you plan to study law in a Scottish institution.

Constructivism is a philosophical viewpoint about the nature of knowledge. Specifically, it represents an ontological stance.. There are many flavors of constructivism, but one prominent theorist is Jean Piaget, who focused on how humans make meaning in relation to the interaction between their experiences and their ideas. He considered himself to be a genetic epistemologist, meaning he was ...
