The Ashbrook Center is pleased to provide homeschool families with a free high-school-level curriculum in American History and Government. The curriculum uses primary sources to guide students through the history of our great nation, reading the words of those who formed it and guided it to where we are today.

Free Curriculum in American History and Government

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators, but learners may also educate themselves. Education can take place in formal or informal settings and any ...

History programmes of study: key stages 1 and 2

A teacher (also called a school teacher or, in some contexts, an educator) is a person who helps others to acquire knowledge, competences or values.. Informally the role of teacher may be taken on by anyone (e.g. when showing a colleague how to perform a specific task). In some countries, teaching young people of school age may be carried out in an informal setting, such as within the family ...

In honor of Veterans Day, EIU Teaching with Primary Sources took to the Library of Congress website and created this page to showcase the official tunes for the following branches of the U.S. Armed Forces.

Eastern Illinois University :: Teaching with Primary

Teaching about the Black Power Movement can be challenging, but has rich rewards. Misconceptions about the Black Power Movement abound, but the ability to contrast their strategies and aims with the earlier Civil Rights Movement allows Social Studies teachers to discuss the complex ways that social movements evolve, change, and respond to the times.

Teaching Tolerance provides free resources to educators – teachers, administrators, counselors and other practitioners – who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.
