I do not have the answer, but I have exactly the same problem, although with Adobe Acrobat Pro X on a Win7 Pro 64b system. The "Save as AdobePDF" works well from dedicated programs, but the generic "Print to AdobePDF" function, which I have used with no problem for the past two years, suddenly stopped working a few days ago (any program trying to print to PDF would now freeze).

Regression testing (rarely non-regression testing) is re-running functional and non-functional tests to ensure that previously developed and tested software still performs after a change. If not, that would be called a regression. Changes that may require regression testing include bug fixes, software enhancements, configuration changes, and even substitution of electronic components.

## **Regression testing - Wikipedia**

This free career test will help you discover what your career interests are and your ideal work environment. Whether you are an adult, high school student, or college student, these free career tests provide specific interest scores for each career category.
