About 20 years ago, I agreed to get a flu shot on my doctor's advice. While I was very healthy at that time, rarely got ill other than a few sniffles now and then, I have a history of allergies and asthma, so I'm in the set of people that gets pressured by all my doctors every year to get a flu shot every year.

If I asked you which of these vitamins was found naturally in food, folate or folic acid, would you know the answer? If not, you're in good company. Medical professionals, nutrition experts, and health practitioners frequently mix up the two, simply because the terms are often used interchangeably. Many health professionals would even argue that folate and folic acid are essentially the same ...

### **The little known (but crucial) difference between folate**

You've used logic, reason, ultimatums, bargaining and begging to no avail. Your wife still won't go back to work even though the kids are in school full-time. You may ask yourself why she spent time and money on an education only to unempower herself by becoming financially dependent upon you ...
